FOR IMMEDIATE RELEASE

RMG SPORTS TO TELEVISION LAUREL MOUNTAIN HOCKEY LEAGUE CHAMPIONSHIP

(Somerset, PA) On March 15th, the Laurel Mountain Hockey League's top two high school hockey teams will be battling for the LMHL's Championship trophy and RMG Sports is proud to announce that its latest television program, RMG's POWER PLAY, will be covering the action.

Similar to the popular program *Penguins Rewind*, RMG's POWER PLAY takes an entire hockey game and edits it down to a fast-paced, easy to watch, thirty-minute program.

RMG's POWER PLAY's coverage of the LMHL Championship game at the Cambria County War Memorial Arena will be seen on the regional sports cable network ROOT Sports as well as on the local broadcast station WWCP Fox 8 and on-line at RMGSports.net and YouTube. Official air dates and times for the game will be released in the coming weeks.

"The Laurel Mountain Hockey League is very excited to showcase not only the league championship game but the general hockey being played in the Johnstown-Altoona area within this league," said LMHL President Brock Golesich. "This is a great opportunity and we are very pleased to be working with RMG Sports."

"RMG Sports is thrilled to be joining forces with the LMHL to showcase our region's best high school teams to millions of viewers on television and the Internet," said RMG President Jarred Romesburg. "Our region has an amazing history and love of the sport of hockey and RMG is proud to be doing its part to foster this tradition."
